- Time Management and Disciplin
- Organizational and Collaboration Skills
- Analytical and Problem Solving
- AI-Assisted Productivity
- English Language
- Microsoft Office (Word, Excel, PowerPoint)
- Software engineer
- Cybersecurity
- Database Management
- Internet of Things (IoT)

SEMINARS AND TRAININGS

May 2024

Tech Fest: Smart and Sustainable Data Infrastructure 2024
Google Developer Student Club (GDSC) Borneo Tarakan University and Himpunan Mahasiswa Teknik Komputer (HMTK) Borneo Tarakan University

CO-CURRICULAR ACTIVITIES

Oct 2025 - Nov 2025

Competition Committee Chairperson

Himpunan Mahasiswa Teknik Komputer (HMTK) – 3rd Anniversary

Served as the Competition Committee Chairperson for the 3rd Anniversary of the Computer Engineering Student Association (HMTK) at Universitas Borneo Tarakan. Led the competition organizing committee, coordinated event preparations, and oversaw the implementation of three competition categories: Mobile Legends, Photography, and Poster Design. Demonstrated leadership, event management, teamwork, communication, and problem-solving skills to support the successful execution of the competitions.

May 2024 - May 2024

Public Relations Committee Member

Tech Fest 2024 – GDSC UBT & HMTK UBT

Served as a Public Relations Committee Member for Tech Fest 2024: Smart and Sustainable Data Infrastructure, an international technology event organized by GDSC UBT and HMTK UBT at the University of Borneo Tarakan. Contributed to the event's public relations and communication activities, supporting an event attended by over 320 participants and featuring a Google Developer Expert from South Korea as a keynote speaker.

Mar 2024 - Mar 2024

Community Engagement – Core Team Member

Google Developer Student Clubs (GDSC) – Universitas Borneo Tarakan

Served as a Community Engagement Core Team Member for Coding & Chill: Ngabuburit Edition, a four-day Flutter Multiplatform training event organized by GDSC Universitas Borneo Tarakan in collaboration with IDN Mengajar. Supported the organizing team in facilitating technology learning activities focused on Flutter, Dart, and multiplatform application development. Contributed to the successful implementation of the event through teamwork and community engagement.

AFFILIATIONS

Dec 2023 - Dec 2024

Information and Communication Member

Himpunan Mahasiswa Teknik Komputer (HMTK)

An Information and Communication member is responsible for managing internal and external communication, creating promotional content, and maintaining the organization’s positive public image across digital platforms.

Jan 2023 - Jan 2024

Core Team- Community Management

Google Developer Student Clubs (GDSC)

The primary responsibility of this role is to build, nurture, and grow the student tech community on campus by managing events, coordinating core teams, and fostering a collaborative learning environment.

TEST SCORES

Apr 2026

English Test – University of Borneo Tarakan

Result: 410

Achieved a total score of 410 in the English Test administered by the Language Center, University of Borneo Tarakan. Listening Comprehension: 47; Structure and Written Expression: 37; Reading Comprehension: 39. Certificate valid for two years from April 16, 2026.

AWARDS AND ACHIEVEMENTS

Jun 2026

Graduated with Cum Laude Honors – Bachelor of Engineering
Universitas Borneo Tarakan

Graduated with Cum Laude honors in Computer Engineering from Universitas Borneo Tarakan, demonstrating academic excellence and consistent academic performance throughout the undergraduate program.

PROJECTS

Jan 2026 - present

Independent Software Development Projects
Independent Developer

Independently developed various personal and academic projects to explore and improve my skills in software development and information technology. My projects include website development, application development, and other technology-based solutions. Through these projects, I gained practical experience in programming, problem-solving, troubleshooting, and learning new technologies. I enjoy exploring different technologies, experimenting with new ideas, and building projects independently to continuously improve my technical and analytical skills.

VOLUNTEERISM AND NON-PROFIT WORK

Jun 2025 - Jul 2025

Kuliah Kerja Nyata (KKN) – Universitas Borneo Tarakan, Kelompok 45
Information and Communications Officer

Served as an Information and Communications Officer in Community Service Program (KKN) Group 45 at Universitas Borneo Tarakan, supporting community development and food security initiatives in North Kalimantan. Contributed to information sharing, team communication, and coordination of community service activities, while collaborating with fellow team members to support the successful implementation of the program.

May 2023 - May 2023

National Mangrove Planting Program – TNI AL & Universitas Borneo Tarakan
Environmental Conservation Volunteer

Participated as a volunteer in the National Simultaneous Mangrove Planting Program under the theme "Mangrove for Better Life" at Amal Beach, Tarakan, North Kalimantan, on May 15, 2023. Contributed to mangrove planting activities aimed at supporting coastal ecosystem restoration, environmental sustainability, and biodiversity conservation. Collaborated with fellow volunteers and participants from various institutions, demonstrating teamwork, social responsibility, and environmental awareness.
